

TISCA Water Polo North Region Insurance Information & Invoice

The North Region wants all athletes to play and compete in a safe and insured environment. For 2014, the TISCA Water Polo North Region Committee will purchase insurance to cover teams for both competitions and practices. Below are the details on the insurance parameters for Spring 2014.

Insurance Costs: The cost for insurance will be \$10 per athlete (no fees for coaches or officials). *Teams will need to provide the names of all athletes for each school to Stephanie Klocke (stephanie.klocke@gcisd.net) AND pay \$10 per athlete by March 31st. Please make checks payable to TISCA Water Polo – North Region and send to GCISD Swim Center, c/o Stephanie Klocke, 2305 Pool Road, Grapevine, TX 76051.

Exception: Teams DO NOT need to pay the insurance if their school provides insurance for the water polo program. All schools and school districts are different. Coaches need to ask their athletic directors if the water polo program falls under the athletic insurance policy. Many Texas area high school water polo programs are considered an extension of the swim team and thus fall under the same insurance as the swim team. Teams which fall under the school district's athletic insurance policy OR have alternate insurance do NOT need to email their rosters for insurance purposes.

*When submitting rosters please list athletes alphabetically with separate lists for boys and girls. Please list/pay for all athletes who will practice AND play in a competition this spring.

For additional questions please contact Stephanie Klocke at 817-980-1563 or email to stephanie.klocke@gcisd.net.
